

Crown Investments Corporation of Saskatchewan (CIC) is the holding company for Saskatchewan's commercial Crown corporations.

The Crown Planning and Priorities Division is responsible for strategic planning and sector alignment. It leads multi-Crown projects and priority government initiatives related to Saskatchewan's Crown sector. The Division also provides leadership on coordinating efforts to attract private sector capital investment projects to Saskatchewan; economic development; provincial broadband policy; collaboration across provincial government entities; management of the Saskatchewan Rate Review Panel; and Crown-sector procurement and supply chain development.

Analyst, Strategic Initiatives

Reporting to the Director of Strategic Initiatives, the Analyst will work with a high level of independence and as part of a team to collaborate across CIC, the public sector, and with external stakeholders to identify opportunities to enhance economic growth and attract investment to the Province of Saskatchewan. This position offers meaningful and challenging work in an environment that promotes integrity, excellence, leadership, and teamwork.

In this position, you will:

- Stay current with trends, identify opportunities, conduct research and analysis, engage with public and private partners, and develop strategies and policies that will support economic development and investment attraction in Saskatchewan.
- Conduct complex economic, financial, risk and policy analysis.
- Facilitate, guide, and advance opportunities for collaboration across the Saskatchewan public sector.
- Lead and advise to optimize Crown sector procurement and local supply chain development activities.
- Assist in development and implementation of policies relating to broadband connectivity in Saskatchewan.
- Support the work of the Saskatchewan Rate Review Panel.
- Represent CIC at meetings, events, and in regular dialogue with Crown corporations, ministries, business interests and other stakeholders.
- Develop written materials, including briefing notes, speaking points, decision and information items, quarterly reports, and presentations.
- Provide advice and present recommendations on a variety of initiatives to the CIC Executive.

Qualifications and skill requirements include:

- Graduate or undergraduate degree in Commerce, Business Administration, or a related discipline with experience in strategic analyst or advisor roles. An equivalent combination of education and experience will be considered.
- Knowledge of economic development, financial and economic analysis, investment decision making, and risk management.
- Knowledge of the public sector, public policy, legislation, and government programs is an asset.
- Knowledge of procurement and supply chain management is an asset.
- Knowledge of telecommunications policy or broadband connectivity is an asset.

- Ability to think strategically, analyze scenarios, and develop clear alternatives and recommendations.
- Strong interpersonal skills with the ability to effectively influence, collaborate and build relationships, and value the perspectives of others.
- Strong organizational skills with the ability to lead projects and prioritize work to meet strict deadlines.
- Strong verbal and written communication, including presentation skills.
- Proficient computer skills and familiarity with Microsoft 365.

The successful candidate will be subject to an Employment Screening Check as a condition of employment.
