

Quarter 2 Financial Report

For the period ended September 30, 2022

| INTRODUCTION | 1 |
|---|----|
| CIC CONSOLIDATED MANAGEMENT DISCUSSION & ANALYSIS | 3 |
| CIC CONDENSED CONSOLIDATED INTERIM FINANCIAL STATEMENTS | 9 |
| CIC SEPARATE MANAGEMENT DISCUSSION & ANALYSIS | 22 |
| CIC CONDENSED SEPARATE INTERIM FINANCIAL STATEMENTS | 26 |

Introduction

Crown Investments Corporation of Saskatchewan (CIC) is the Provincial Government's holding corporation for its commercial Crown corporations. CIC has invested equity in its subsidiary corporations and collects dividends from these corporations.

The purpose of the following discussion is to provide users of CIC's financial statements with an overview of its financial health. This narrative on CIC's 2022-23 second quarter financial results should be read in conjunction with the March 31, 2022 audited consolidated and separate financial statements. The accounting policies and methods of computation used in the preparation of the unaudited condensed separate and consolidated interim financial statements are consistent with those disclosed in CIC's March 31, 2022 audited separate and consolidated financial statements.

To facilitate greater transparency and accountability, CIC prepares two different sets of financial statements: CIC's consolidated financial statements that report on the commercial Crown sector; and CIC's separate financial statements that reflect its role as a holding corporation for the Province.

CIC Consolidated Financial Statements

CIC's consolidated financial statements include CIC's results consolidated with the results of its subsidiary corporations. The unaudited condensed consolidated interim financial statements (herein after referred to as the "consolidated financial statements") are prepared in accordance with International Financial Reporting Standards (IFRS) and include:

Financial results of subsidiary Crown corporations:

SaskEnergy Incorporated (SaskEnergy)
Saskatchewan Gaming Corporation (SGC)
Saskatchewan Government Insurance (SGI CANADA)
Saskatchewan Water Corporation (SaskWater)

Saskatchewan Power Corporation (SaskPower) Saskatchewan Telecommunications Holding Corporation (SaskTel)

Financial results of CIC Asset Management Inc. (CIC AMI), a wholly owned subsidiary share capital corporation; Dividends paid by CIC to the General Revenue Fund (GRF); and,

CIC's operating costs, public policy expenditures, interest earned on cash and cash equivalents, and equity earnings on equity accounted investees.

Consolidated earnings represent the total earnings in the Crown sector, taking into consideration the elimination of all inter-group transactions (i.e., revenues and expenses between Crown corporations and dividends paid by Crown corporations to CIC).

CIC Separate Financial Statements

CIC's separate financial statements represent CIC's earnings as the shareholder of the Saskatchewan commercial Crown sector. They assist CIC in determining its capacity to pay dividends to the Province's GRF. The unaudited condensed separate interim financial statements have been prepared in accordance with IAS 27 - Separate Financial Statements and IAS 34 - Interim Financial Reporting at the request of the Saskatchewan Legislative Assembly. These financial statements are intended to isolate CIC's cash-flow, capital support for certain subsidiary corporations, and public policy expenditures. These financial statements include:

- Dividends from subsidiary Crown corporations;
- Dividends from the Corporation's investment in Information Services Corporation; and
- CIC's operating results and public policy expenditures.

CIC CONSOLIDATED FINANCIAL STATEMENTS

CIC Consolidated Management Discussion & Analysis

Preface

Management's Discussion & Analysis (MD&A) highlights the primary factors that have an impact on the consolidated financial results and operations of CIC. It should be read in conjunction with CIC's condensed consolidated financial statements and supporting notes for the period ended September 30, 2022. These consolidated financial statements have been prepared in accordance with IAS 34 - *Interim Financial Reporting*.

The consolidated financial statements do not include all the disclosures included in CIC's annual audited consolidated financial statements. Accordingly, these consolidated financial statements should be read in conjunction with CIC's March 31, 2022 audited consolidated financial statements. The accounting policies and methods of computation used in the preparation of these consolidated financial statements are consistent with those disclosed in CIC's March 31, 2022 audited consolidated financial statements.

For purposes of CIC's consolidated MD&A, "CIC" and "the Corporation" refers to the consolidated entity.

Forward-Looking Information

Throughout the quarterly report, and particularly in the following discussion, forward-looking statements are made. These statements can be recognized by terms such as "outlook," "expect," "anticipate," "project," "continue," or other expressions that relate to estimations or future events. By their nature, forward-looking statements require assumptions based on current information, management experience and historical performance. Forward-looking information is subject to uncertainties, and, as a result, forward-looking statements are not a guarantee about the future performance of CIC and its subsidiary Crown corporations.

Readers should not place undue reliance on forward-looking statements, as several factors could cause actual results to differ materially from estimates, predictions and assumptions. Factors that can influence performance include, but are not limited to: global pandemics, weather conditions, commodity markets, general economic and geo-political conditions, interest and exchange rates, competition and the regulatory environment. Given these uncertainties, assumptions contained in the forward-looking statements may or may not occur.

A Closer View of CIC's Holdings

CIC is involved in a broad array of industries through various forms of investment. A number of investments are held as wholly-owned subsidiaries, while others are associates and joint operations, held through CIC's wholly-owned subsidiaries.

The following table lists significant wholly owned subsidiaries, including the respective business line, which CIC consolidates in its financial statements:

| Туре | Investment | Major Business Line | |
|------------------------|---|----------------------------------|--|
| | Saskatchewan Power Corporation (SaskPower) | Electricity | |
| | Saskatchewan Telecommunications Holding Corporation | Information and Communications | |
| Utilities | (SaskTel) | Technology | |
| | SaskEnergy Incorporated (SaskEnergy) | Natural Gas Storage and Delivery | |
| | Saskatchewan Water Corporation (SaskWater) | Water and Wastewater Management | |
| Insurance | Saskatchewan Government Insurance (SGI CANADA) | Property and Casualty Insurance | |
| Entertainment | Saskatchewan Gaming Corporation (SGC) | Entertainment | |

| Economic Growth | CIC Asset Management Inc. (CIC AMI) | Investments | |

Consolidated Net (Loss) Earnings

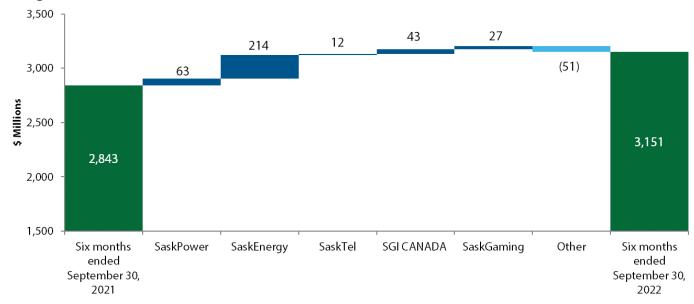

| Subsidiary Corporation (Loss) Earnings | | For the six m | onths end | ed |
|--|-----------|-------------------|-----------|---------------------|
| (millions of dollars) (unaudited) | Sep | tember 30 2022 | Se | eptember 30 2021 |
| SaskTel SaskEnergy | \$ | 54.2 24.8 | \$ | 56.1 27.3 |
| SGC | | 10.9 | | 3.1 |
| SaskWater CIC AMI | | 5.8 1.1 | | 5.9 - |
| SOCO ¹ | | - (70.2) | | 0.7 |
| SGI CANADA SaskPower | | (70.3) (96.9) | | 51.8 12.8 |
| CIC (Separate) | | 45.9 | | 66.9 |
| Consolidation adjustments ² | | <u>(45.7</u>) | - | (71.2) |
| Net (loss) earnings | <u>\$</u> | (70.2) | \$ | 153.4 |

¹ On March 23, 2022, the Government of Saskatchewan announced the creation of a single innovation agency in the province by moving SOCO under the authority of Innovation Saskatchewan. The change was effective April 1, 2022 and SOCO's assets, liabilities, and equity were transferred.

The Corporation's consolidated net loss for the six months ended September 30, 2022, was \$70.2 million (2021 - \$153.4 million earnings), a decrease of \$223.6 million compared to the same period in 2021. Lower earnings were experienced at SGI CANADA and SaskPower. A more detailed discussion of net loss is included on the pages following.

Analysis of Consolidated Revenues and Expenses

Changes in Revenue

Revenue for the six months ended September 30, 2022, was \$3,150.6 million (2021 - \$2,842.7 million excluding SOCO), a \$307.9 million increase over the same period in 2021 primarily related to increases at SaskPower, SaskEnergy, and SGI CANADA.

SaskPower revenue increased \$62.6 million primarily due to higher Saskatchewan electricity sales. This was primarily due to increased demand from the pipeline sector, as well as a 4.0 per cent system average rate increase effective September 1, 2022.

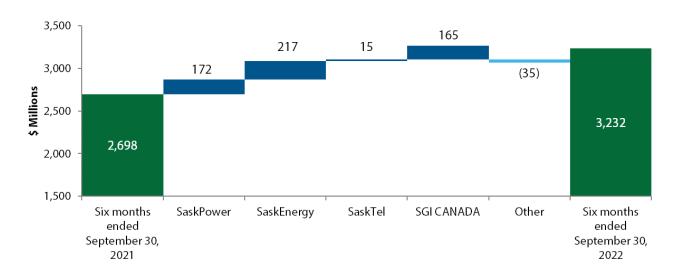

² Consolidation adjustments reflect the elimination of all inter-entity transactions, such as revenues and expenses between Crown corporations and dividends paid by Crown corporations to CIC.

Analysis of Consolidated Revenues and Expenses (continued)

SaskEnergy revenue increased by \$214.0 million primarily due to more opportunities to purchase and sell natural gas in the market to generate earnings. SaskEnergy utilizes its off-peak transportation and storage capacity to find opportunities in the market to take advantage of natural gas pricing differentials. Also contributing to the increase was favourable non-cash market value adjustments on natural gas contracts.

SGI CANADA revenue increased \$43.0 million primarily due to customer growth in jurisdictions outside of Saskatchewan, as well as inflationary rate increases on Saskatchewan policies, consistent with industry.

Changes in Total Operating Expenses and Net Finance Expense

Total operating expenses and net finance expenses for the six months ended September 30, 2022, were \$3,231.7 million (2021 - \$2,697.5 million excluding SOCO), a \$534.2 million increase from the same period in 2021 primarily related to increases at SaskPower, SaskEnergy, and SGI CANADA.

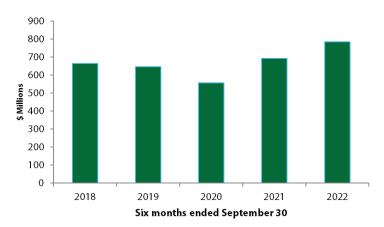

Total operating and net finance expenses increased at SaskPower by \$172.3 million primarily due to higher natural gas and coal prices and increased generation volumes to meet higher demand. A greater proportion of generation was also from more expensive renewable fuel sources to help reduce the federal carbon charge (the carbon charge is costlier than the incremental cost of generating with renewables) and meet long-term emission goals. Increased maintenance due to the timing of overhaul activities and storm activity also contributed to the increase.

Total operating and net finance expenses increased at SaskEnergy by \$216.5 million primarily due to more opportunities to purchase and sell natural gas in the market to generate earnings. SaskEnergy utilizes its off-peak transportation and storage capacity to find opportunities in the market to take advantage of natural gas pricing differentials. Unfavourable non-cash market value adjustments on natural gas contracts also contributed to the difference.

Total operating and net finance expenses increased at SGI CANADA by \$165.1 million. Net finance expense includes investment earnings and losses. Year over year investment earnings have declined and therefore have less of an impact on offsetting finance expenses. Equity returns were negative this year, while increases in interest rates generated losses on fixed income investments. Higher claims also contributed to the increase, largely due to higher Saskatchewan storm claims and more drivers on the road in jurisdictions outside of Saskatchewan as COVID-19 restrictions lift.

Analysis of Consolidated Capital Resources

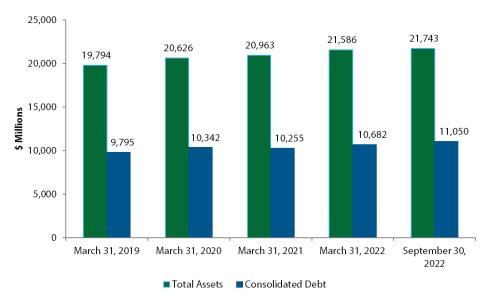

Capital Spending

For the six months ended September 30, 2022, property, plant and equipment, intangible asset and investment property purchases were \$784.0 million (2021 - \$692.6 million), a \$91.4 million increase from the same period in 2021. Major capital expenditures included:

- \$496.2 million at SaskPower related to its Logistics Warehouse Complex and the Great Plains Power Station in Moose Jaw, connecting customers to the electricity system, increasing capacity, and sustaining transmission and distribution infrastructure;
- \$172.9 million at SaskTel on Fibre to the Premises, 5G network modernization, wireless network enhancements, and basic network growth and enhancements; and
- \$96.1 million at SaskEnergy primarily related to customer connections, system expansions to meet customer
 growth including the Moose Jaw supply project and spending to ensure the safety and integrity of its extensive
 distribution and transmission systems.

Consolidated Debt

Consolidated debt at September 30, 2022, was \$11,050.3 million (March 31, 2022 - \$10,682.2 million), a \$368.1 million increase from March 31, 2022. The increase is primarily due to additional debt used to fund most of the Crown capital expenditures during the period.

Analysis of Consolidated Capital Resources (continued)

Liquidity and Capital Resources

CIC and its subsidiary Crowns finance capital requirements through internally generated cash flow and borrowing. The GRF borrows in capital markets on behalf of Crowns. The GRF has sufficient access to capital markets for anticipated borrowing requirements.

Operating, Investing and Financing Activities

| Cash Flow Highlights | For the six months ended | | | | | |
|---|--------------------------|----|-------------|--|--|--|
| (millions of dollars) | September 30 | | September30 | | | |
| (unaudited) | 2022 | | 2021 | | | |
| Net cash from operating activities | \$ 465.4 | \$ | 777.6 | | | |
| Net cash used in investing activities | (765.9) | | (747.6) | | | |
| Net cash from financing activities | 255.9 | | 46.0 | | | |
| Net change in cash and cash equivalents | <u>\$ (44.6)</u> | \$ | 76.0 | | | |

Net cash from operating activities for the six months ended September 30, 2022, was \$465.4 million (2021 - \$777.6 million). The \$312.2 million decrease is primarily due to lower Crown earnings, unfavourable changes in non-cash working capital balances, and higher interest costs due to increasing debt balances and higher interest rates.

Net cash used in investing activities for the six months ended September 30, 2022, was \$765.9 million (2021 - \$747.6 million). The \$18.3 million increase in cash used is primarily due to higher capital spending as the economy continues to recover from the COVID-19 pandemic, partially offset by the receipt of a \$93.5 million payment from Innovation Saskatchewan for the transfer of SOCO.

Net cash from financing activities for the six months ended September 30, 2022, was \$255.9 million (2021 - \$46.0 million). The \$209.9 million increase is primarily due to increased net borrowing for capital requirements as well as lower dividends paid to the GRF due to lower Crown earnings. This was partially offset by CIC's \$93.5 million equity repayment to the GRF from proceeds on the transfer of SOCO to Innovation Saskatchewan.

Debt Management

CIC and its subsidiary Crowns prudently manage debt to maintain and enhance financial flexibility. The CIC Board has approved debt ratio targets for CIC and its commercial subsidiaries that take into account their individual circumstances and industry benchmarks.

Outlook and Key Factors Affecting Performance

The Corporation's outlook for net earnings is highly dependent upon the performance and management of the subsidiary corporations. Earnings expectations are also subject to many variables including global pandemics, weather conditions, commodity markets, general economic and geopolitical conditions, interest and exchange rates, competition, and regulatory environments. Earnings are largely driven by utility Crowns that have stable or growing customer demand and rates that are set in accordance with commercial principles. The Corporation anticipates significant ongoing challenges including maintaining and expanding utility infrastructure at SaskPower, SaskEnergy and SaskWater as well as adapting to any regulatory changes; keeping pace with industry technological change and competition at SaskTel and SGI CANADA; and claims related to severe storms at SGI CANADA. Significant capital expenditures in these companies are expected in the medium term.

In addition, continued volatility in financial markets may further affect valuation of pension liabilities, provisions, portfolio investments, and natural gas price management instruments and inventory.

1. General information

Crown Investments Corporation of Saskatchewan (CIC) is a corporation domiciled in Canada. The address of CIC's registered office and principal place of business is 400 – 2400 College Avenue, Regina, SK, S4P 1C8. The condensed consolidated interim financial statements of CIC comprise CIC and its subsidiaries (collectively referred to as "CIC" or "the Corporation") and CIC's interest in associates and joint operations with principal activities as described in Note 4 (a).

The results included in these condensed consolidated interim financial statements should not be taken as indicative of the performance to be expected for a full fiscal year due to the seasonal nature of corporate operations.

2. Basis of preparation

a) Statement of compliance

These condensed consolidated interim financial statements have been prepared in accordance with International Accounting Standard (IAS) 34 – *Interim Financial Reporting*. The condensed consolidated interim financial statements do not include all of the information required for full annual financial statements, and accordingly should be read in conjunction with the March 31, 2022 audited consolidated financial statements.

The condensed consolidated interim financial statements were authorized for issue by the Board of Directors on December 6, 2022.

b) Functional and presentation currency

These condensed consolidated interim financial statements are presented in Canadian dollars, which is CIC's functional currency.

3. Application of revised accounting standards

Certain new standards, interpretations, and amendments to existing standards, effective for annual periods beginning on or after January 1, 2022, have been applied in preparing these interim condensed consolidated financial statements.

There was no material impact to the interim financial statements upon adoption of these new standards, interpretations, and amendments.

4. Significant accounting policies

The accounting policies and methods of computation used in the preparation of these condensed consolidated interim financial statements are consistent with those disclosed in CIC's March 31, 2022 audited consolidated financial statements, except as described in Note 3.

4. Significant accounting policies (continued)

The accounting policies have been applied consistently to all periods presented in these condensed consolidated interim financial statements and have been consistently applied by CIC's subsidiaries.

a) Basis of consolidation

Subsidiaries

Saskatchewan provincial Crown corporations are either designated as subsidiary Crown corporations of CIC or created as CIC Crown corporations under *The Crown Corporations Act, 1993 (The Act)*. *The Act* assigns specific financial and other responsibilities regarding these corporations to CIC.

In addition to the Crown corporations listed below, the Corporation also consolidates the accounts of a whollyowned share capital subsidiary CIC Asset Management Inc. (CIC AMI), which is domiciled in Canada.

Unaudited condensed separate interim financial statements for CIC have been prepared to show the financial position and results of operations of the corporate entity. In addition, condensed interim financial statements for each of the undernoted Crown corporations, which are consolidated in these financial statements, are prepared and released publicly:

Wholly-owned subsidiaries domiciled in Canada

Saskatchewan Power Corporation (SaskPower)
Saskatchewan Telecommunications Holding Corporation (SaskTel)
SaskEnergy Incorporated (SaskEnergy)
Saskatchewan Water Corporation (SaskWater)
Saskatchewan Government Insurance (SGI CANADA)
Saskatchewan Gaming Corporation (SGC)¹

Principal activity

Electricity
Information and communications technology
Natural gas storage and delivery
Water and wastewater management
Property and casualty insurance
Entertainment

Associates (investments in equity accounted investees)

Associates are those entities in which CIC has significant influence, but not control, over strategic financial and operating decisions. Significant influence is presumed to exist when CIC holds between 20.0 and 50.0 per cent of the voting power of another entity. CIC has classified its investment in Information Services Corporation as an associate.

Associates are accounted for using the equity method and are recognized initially at cost. CIC's investment includes any goodwill identified at acquisition, net of accumulated impairment losses. The condensed consolidated interim financial statements include CIC's share of the total comprehensive income and equity movements of equity accounted investees, after adjustments to align the accounting policies with those of CIC, from the date that significant influence commences until the date that significant influence ceases. When CIC's share of losses exceeds its interest in equity accounted investees, the carrying amount of that interest is reduced and the recognition of further losses is discontinued except to the extent that CIC has an obligation or has made payments on behalf of the investee.

¹ On October 27, 2022, the Government of Saskatchewan announced it will be establishing a new commercial crown corporation to oversee lotteries and gaming in the province. Lotteries and Gaming Saskatchewan (LGS) is expected to launch on April 1, 2023, consolidating the management oversight for casinos, video lottery terminals, lotteries, and online gaming. As part of the new Crown corporation, SGC will be reconfigured as a wholly owned subsidiary of LGS, while continuing to operate casinos Regina and Moose Jaw.

4. Significant accounting policies (continued)

Joint operations

Joint operations are those entities over whose activities CIC has joint control, established by contractual agreement and requiring unanimous consent for strategic financial and operating decisions; and provide CIC with rights to the assets and obligations for the liabilities, related to the arrangement. The condensed consolidated interim financial statements include CIC's proportionate share of joint operation assets, incurred liabilities, income and expenses.

CIC has classified its 50.0 per cent interest in the Totnes Natural Gas Storage Facility as a joint operation.

Transactions eliminated on consolidation

Inter-group balances and transactions, and any unrealized income and expenses arising from inter-group transactions, are eliminated in preparing the condensed consolidated interim financial statements. Unrealized gains arising from transactions with investments in equity accounted investees are eliminated against the investment to the extent of CIC's interest in the investee. Unrealized losses are eliminated in the same way as unrealized gains, but only to the extent that there is no evidence of impairment.

b) New standards not yet adopted

The following standard is not yet effective for the period ended September 30, 2022 and has not been applied in preparing these condensed consolidated interim financial statements.

IFRS 17, Insurance Contracts

IFRS 17, *Insurance Contracts* was issued in May 2017 and will replace IFRS 4. The intent of the standard is to establish consistent recognition, measurement, presentation and disclosure principles to provide relevant and comparable reporting of insurance contracts across jurisdictions.

The standard requires entities to measure insurance contract liabilities as the risk-adjusted present value of the cash flows plus the contractual service margin, which represents the unearned profit the entity will recognize as future service is provided. This is referred to as the general model. Expedients are specified, provided the insurance contracts meet certain conditions. If, at initial recognition or subsequently, the contractual service margin becomes negative, the contract is considered onerous and the excess is recognized immediately in net earnings. The standard also includes significant changes to the presentation and disclosure of insurance contracts within entities' financial statements.

IFRS 17 applies to annual periods beginning on or after January 1, 2023. The standard is to be applied retrospectively unless impracticable, in which case a modified retrospective approach or fair value approach is to be used for transition. The standard represents a comprehensive IFRS accounting model for insurance contracts and is expected to have a significant impact on financial reporting on the Corporation's property and casualty insurance segment. The Corporation is evaluating the impact this standard will have on the consolidated financial statements.

5. Status of CIC

CIC was established by Order in Council 535/47 dated April 2, 1947 and is continued under the provisions of *The Crown Corporations Act, 1993*. CIC is an agent of His Majesty in Right of the Province of Saskatchewan and as a provincial Crown corporation is not subject to federal and provincial income taxes. Certain associates, joint operations and subsidiaries are not provincial Crown corporations and are subject to federal and provincial income taxes.

6. Assets and liabilities held-for-sale and discontinued operations

On March 23, 2022, the Government of Saskatchewan announced the creation of a single innovation agency in the province by moving SOCO under the authority of Innovation Saskatchewan. The change was effective April 1, 2022 and SOCO's assets, liabilities, and equity were transferred. CIC received \$93.5 million for its investment and no gain was recognized on the transaction. CIC provided the \$93.5 million to the GRF as an equity repayment. SOCO's prior year assets and liabilities are classified as held-for-sale on the Statement of Financial Position and its prior year earnings are classified as discontinued operations on the Statement of Comprehensive Income.

CIC also has \$2.2 million in assets held-for-sale at September 30, 2022 (March 31, 2022 - \$0.8 million), that are unrelated to the SOCO transfer.

Assets and liabilities classified as held-for-sale are comprised of the following (thousands of dollars):

| | | September 30 2022 | | March 31 2022 |
|--|----|----------------------|----|------------------|
| Cash and cash equivalents | \$ | - | \$ | 16,812 |
| Accounts receivable | | - | | 1,886 |
| Inventories | | - | | 31 |
| Prepaid expenses | | - | | 532 |
| Long-term investments | | - | | 5,317 |
| Property, plant and equipment | | 2,237 | | 1,768 |
| Right-of-use assets | | - | | 566 |
| Investment property | | - | | 162,502 |
| Other assets | | - | | 758 |
| Assets held-for-sale | \$ | 2,237 | \$ | 190,172 |
| | | September 30 | | March 31 |
| | | 2022 | | 2022 |
| Trade and other payables | \$ | _ | \$ | 4,183 |
| Notes payable | • | - | · | 17,240 |
| Deferred revenue | | - | | 2,261 |
| Current portion of lease liabilities | | - | | 304 |
| Long-term portion of lease liabilities | | - | | 261 |
| Long-term debt | | - | | 36,684 |
| <u>Liabilities held-for-sale</u> | \$ | | \$ | 60,933 |

6. Assets and liabilities held-for-sale and discontinued operations (continued)

The impact of discontinued operations on net earnings was comprised of the following (thousands of dollars):

| | Sep | April 1 to otember 30 2022 | April 1 to September 30 2021 |
|---|-----|----------------------------------|------------------------------------|
| Revenue | \$ | - | \$ 18,326 |
| Operating expenses | | _ | 5,632 |
| Salaries, wages and short-term employee benefits | | - | 4,229 |
| Employee future benefits | | - | 291 |
| Depreciation and amortization | | - | 4,409 |
| Saskatchewan taxes and fees | | - | 2,292 |
| | | - | 16,853 |
| Results from operating activities | | - | 1,473 |
| Finance income | | - | 101 |
| Finance expenses | | - | (887) |
| Net finance expenses | | - | (786) |
| Net earnings from discontinued operations | | - | 687 |
| Unrealized gain on sinking funds | | | 13 |
| Total comprehensive income from discontinued operations attributable to the Province of Saskatchewan | \$ | | \$ 700 |

The impact of discontinued operations on cash flows was comprised of the following (thousands of dollars):

| | | April 1 to September 30 2022 | | April 1 to September 30 2021 |
|--|----|------------------------------------|----|------------------------------------|
| Cash used in operating activities | ė | (16,812) | ċ | 535 |
| Cash from (used in) investing activities | • | 93,500 | Ţ | (2,683) |
| Cash used in financing activities | | (93,500) | | (1,427) |
| Net change in cash and cash equivalents | \$ | (16,812) | \$ | (3,575) |

7. Equity advances and capital disclosures

CIC does not have share capital. However, CIC has received advances from the GRF to form its equity capitalization. The advances are an equity investment in CIC by the GRF.

Due to its ownership structure, CIC has no access to capital markets for equity. Equity advances in CIC are determined by the shareholder on an annual basis. Dividends to the GRF are determined through the Saskatchewan provincial budget process on an annual basis.

CIC closely monitors its debt level utilizing the debt ratio as a primary indicator of financial health. The debt ratio measures the amount of debt in CIC's capital structure. CIC uses this measure in assessing the extent of financial leverage and in turn, its financial flexibility. Too high a ratio relative to target indicates an excessive debt burden that may impair CIC's ability to withstand downturns in revenues and still meet fixed payment obligations. The ratio is calculated as net debt divided by capitalization at the end of the period.

CIC reviews the debt ratio targets of all its subsidiary Crown corporations on an annual basis to ensure consistency with industry standards. This review includes subsidiary Crown corporations' plans for capital spending. The target debt ratios for subsidiary Crown corporations are approved by the CIC Board. CIC uses targeted debt ratios to compile a weighted average debt ratio for the CIC Crown sector.

CIC raises most of its capital requirements through internal operating activities and long-term debt through the GRF. This type of borrowing allows CIC to take advantage of the Province of Saskatchewan's strong credit rating and receive financing at attractive interest rates.

CIC made no changes to its approach to capital management during the period.

The debt ratio is as follows:

| | | September 30 2022 | March 31 2022 |
|---------------------------------------|-----------|-------------------------|-------------------------------|
| Total debt (a) Less: Sinking funds | \$ | 11,050,273 (939,605) | \$ 10,682,176 (998,156) |
| Net debt Equity | | 10,110,668 6,077,267 | 9,684,020 6,350,167 |
| Capitalization | <u>\$</u> | 16,187,935 | \$ 16,034,187 |
| Debt ratio | | 62.5% | 60.4% |

a) Total debt includes long-term debt, long-term debt due within one year and notes payable.

8. Accumulated other comprehensive income

| | September 30 2022 | March 31 2022 |
|---|----------------------|------------------|
| Items that may be subsequently reclassified to net earnings: | | |
| Unrealized losses on sinking funds | \$ (91,273) | \$ (57,506) |
| Unrealized gains on cash flow hedges | 55,643 | 55,601 |
| Realized losses on cash flow hedges | (10,088) | (10,318) |
| Itams that will not be veclosified to not earnings. | (45,718) | (12,223) |
| Items that will not be reclassified to net earnings: Impact of changes in defined benefit plan actuarial assumptions | 250,069 | 219,015 |
| | \$ 204,351 | \$ 206,792 |

9. Commitments and contingencies

CIC has various legal matters pending which, in the opinion of management, will not have a material effect on CIC's consolidated financial position or results of operations. Should the ultimate resolution of actions differ from management's assessments and assumptions, a material adjustment to CIC's financial position or results of operations could result.

10. Condensed consolidated interim statement of cash flows

| | April 1 to September 30 2022 | April 1 to September 30 2021 |
|--|------------------------------------|------------------------------------|
| Adjustments to reconcile net earnings to cash provided from operating activities | | |
| Depreciation and amortization | \$ 493,241 | \$ 502,270 |
| Share of earnings from investments in equity accounted investees | (5,888) | (5,003) |
| Defined benefit pension plan expense | 2,652 | 1,778 |
| (Recovery of) provision for environmental remediation liabilities | (2,160) | 12 |
| Unrealized gains on derivative financial instruments | (16,492) | (51,387) |
| Inventory impairments (recoveries) | 1,678 | (3,241) |
| Loss on disposal of property, plant and equipment | 6,693 | 13,459 |
| Impairment (reversals) losses | (799) | 225 |
| Net finance expenses | 291,232 | 201,449 |
| Other non-cash items | (21,063) | (6,281) |
| | \$ 749,094 | \$ 653,281 |

11. Fair value of financial instruments

Fair value measurements are categorized into levels within a fair value hierarchy based on the nature of inputs used in the valuation.

- Level 1 Unadjusted quoted prices for identical assets or liabilities are readily available from an active market.

 The Corporation defines an active market based on the frequency of valuation, any restrictions or illiquidity on disposition of the underlying asset or liability, and trading volumes.
- Level 2 Inputs, other than quoted prices included in level 1 that are observable either directly or indirectly.
- Level 3 Inputs are not based on observable market data.

CIC's financial instruments at fair value are categorized within this hierarchy as follows:

September 30, 2022

| | L | evel 1 | Level 2 | Level 3 | Total |
|---|-----|---------|-----------|---------|---------------|
| Cash and cash equivalents | \$ | 145,690 | \$ - | \$ - | \$ 145,690 |
| Notes payable | 1,3 | 332,782 | - | - | 1,332,782 |
| Investments – fair value through profit or loss | : | 235,917 | 911,470 | 233,043 | 1,380,430 |
| Investments – fair value through other comprehensive income | | - | 939,605 | - | 939,605 |
| Investments – amortized cost | | - | 57,148 | - | 57,148 |
| Long-term debt | | - | 9,039,487 | - | 9,039,487 |
| Physical natural gas contracts – net | | - | 101,371 | - | 101,371 |
| Natural gas price swaps – net | | - | 32,328 | - | 32,328 |

CIC SEPARATE FINANCIAL STATEMENTS

CIC Separate Management Discussion & Analysis

Analysis of CIC Separate Financial Results

CIC is the Provincial Government's holding company for its commercial Crowns. CIC has invested equity in its subsidiary Crown corporations and collects dividends from these corporations. Dividends are based on the overall financial health of the subsidiary Crown and its need for capital investment and debt reduction, if required.

This narrative on CIC's separate September 30, 2022, second quarter results should be read in conjunction with the March 31, 2022, audited separate financial statements. For the purposes of this narrative on CIC's separate financial results, "CIC" refers to the holding company.

Financial Results

| CIC Separate Second Quarter Net Earnings | For the six months ended | | | | | | |
|--|--------------------------|---------------|-----------|-----------|--|--|--|
| (millions of dollars) | Sept | ember 30 | Sept | tember 30 | | | |
| (unaudited) | | 2022 | | 2021 | | | |
| Dividend revenue | \$ | 51.8 | \$ | 63.0 | | | |
| Add: Net finance and other income | | 0.2 | | 0.4 | | | |
| Impairment recovery | | - | | 8.6 | | | |
| Less: Operating, salaries and other expenses | | <u>(6.1</u>) | | (5.0) | | | |
| CIC Separate net earnings | \$ | <u>45.9</u> | <u>\$</u> | 67.0 | | | |

Net Earnings

CIC Separate net earnings for the six months ended September 30, 2022, were \$45.9 million (2021 - \$67.0 million), \$21.1 million lower than the same period in 2021. The decrease in net earnings is primarily due to lower dividend revenue of \$11.2 million in the first half of 2022-23 compared to the same period last year. As well, CIC recorded an impairment recovery in 2021-22 of \$8.6 million on the loan to CIC Asset Management Inc. (CIC AMI)¹ (formerly a loan to First Nations and Métis Fund Inc. (FNMF)) as it had financial capacity, following amalgamation, to repay the loan due to CIC. A more detailed discussion of net earnings is included on the following pages.

Dividend Revenue

For the first six months of this fiscal year, dividends from subsidiary Crown corporations are based on 50.0 per cent of budgeted dividends for the year. The dividend is typically based on a percentage of operating earnings; however, various factors may lead to an amount being set on an alternate basis. Operating earnings excludes any non-cash fair market value adjustments on items such as financial instruments and inventory. Dividend targets are based on the overall financial health of the subsidiary Crown and its infrastructure reinvestment and debt reduction requirements. These targets are subject to change during the year if there is a significant change in circumstances.

¹ On April 1, 2021, FNMF, Saskatchewan Immigrant Investor Fund Inc. (SIIF) and CIC AMI amalgamated. All assets, liabilities and obligations were amalgamated, and the entity continued to operate as CIC AMI.

Analysis of CIC Separate Financial Results (continued)

Dividend Revenue (continued)

Dividend revenue for the six months ended September 30, 2022, was \$51.8 million (2021 - \$63.0 million). The \$11.2 million decrease is primarily due to lower dividends from SaskTel (\$22.0 million) and SGI CANADA (\$10.0 million) partially offset by higher dividends from SaskEnergy (\$13.4 million) and SaskGaming (\$6.7 million).

SaskTel's lower dividend is primarily due to the decrease in its dividend payout rate. For 2022-23, the payout rate was set at 40.0 per cent of operating earnings whereas in 2021-22 the rate was 90 per cent. SaskTel experienced higher revenues due to growth in wireless network services and equipment in 2022-23, compared to the same period of 2021-22, however with the change to the dividend payout rate to redirect cash to rural fibre rollout, the result was a decrease in its dividend to CIC.

SGI CANADA did not declare a dividend in the second quarter of 2022-23 compared to \$10.0 million in the same period of 2021-22. The decrease is primarily due to higher claim costs due to customer growth, inflationary pressures and investment market declines (downturn in equity and bond markets). SGI CANADA is not forecasting to pay a dividend for 2022-23 to help ensure it maintains a sufficient level of capital to offset the potential for future claims.

SaskPower did not declare a dividend in the first and second quarters as it is forecasting a net loss for 2022-23 largely due to rising natural gas prices and a lower hydro generation forecast resulting in increased fuel and purchased power costs.

SaskEnergy's dividend in the second quarter of 2022-23 increased from the same period of 2021-22 as revenues were positively impacted by increased natural gas sales due to colder than normal weather as well as customers' unplanned service alterations, increased opportunities to buy and sell excess natural gas not required for customers at profitable margins and a delivery rate increase in August 2022.

SaskGaming declared a dividend of \$6.7 million in the first half of 2022-23 compared to no dividend in the same period of 2021-22. The increase was primarily due to gaming tables and slots performing better than expected due to no pandemic related restrictions in place.

Impairment Recovery

On April 1, 2021, CIC AMI, FNMF, and SIIF amalgamated and continued to operate as CIC AMI. In 2021-22, as a result of the amalgamation, CIC reversed its impairment losses of \$8.6 million on its investment in the previous FNMF entity as CIC AMI had the financial capacity to repay the loan in the future.

Operating, Salaries and Other Expenses

Operating, salaries and other expenses for the six months ended September 30, 2022, were \$6.1 million (2021 - \$5.0 million), \$1.1 million higher than the same period last year. In 2022-23, CIC has continued to take on a more enhanced role in coordinating Crown collaboration across government and leading several policy-driven Crown initiatives. These initiatives required additional staff which increased salaries and benefit costs and office expenses, as well as higher professional fees resulting from the additional projects.

Liquidity and Capital Resources

| Cash Flow Highlights | For the six months ended | | | | |
|---|--------------------------|--------------------------|----------------------------|--|--|
| (millions of dollars) | Septemb | September | | | |
| (unaudited) | : | 2022 | 2021 | | |
| Net cash from operating activities Net cash from (used in) investing activities Net cash used in financing activities | • | 75.1 \$ 97.7 65.7) | 124.2 (11.4) (110.2) | | |
| Net change in cash | \$ | 7.1 \$ | 2.6 | | |

Liquidity

CIC finances its capital requirements through internally generated cash flow and, infrequently, through borrowing from the GRF. The GRF borrows on CIC's behalf in capital markets.

Operating, Investing and Financing Activities

Net cash from operating activities for the six months ended September 30, 2022, was \$75.1 million (2021 - \$124.2 million), a decrease of \$49.1 million. Cash from operating activities decreased primarily due to unfavourable changes in non-cash working capital balances as a result of Crown dividend payments being significantly less than the same period in 2021-22.

Net cash from investing activities for the six months ended September 30, 2022, was \$97.7 million (2021 - \$11.4 million used in), an increase in cash of \$109.1 million. In the first quarter of 2022-23, CIC received a \$93.5 million payment for CIC's investment in SOCO (equity advance) when CIC transferred SOCO to Innovation Saskatchewan, a provincial government agency. In the second quarter of 2022-23, SaskGaming provided CIC a \$4.0 million equity repayment after experiencing an increase in revenue primarily driven by slots and table games performing better than expected now that the global pandemic closures and restrictions have lifted.

Net cash used in financing activities for the six months ended September 30, 2022, was \$165.7 million (2021 - \$110.2 million), an increase in cash used of \$55.5 million. In June 2022, CIC provided an equity repayment to the GRF of \$93.5 million, equal to the amount received from the transfer of SOCO to Innovation Saskatchewan. Offsetting the increase in cash used was a \$38.0 million decrease in the dividend paid to the GRF at the end of Q2. CIC paid a \$72.0 million dividend to the GRF compared to \$110.0 million in the same period last year. This decrease was due to the lower Crown dividends discussed above.

Debt Management

CIC as a legal entity has no debt. Currently, CIC does not expect to borrow in 2022-23.

Outlook and Key Factors Affecting Performance

The level of earnings of subsidiary Crown corporations is the key factor affecting CIC's earnings as a holding company, and thus CIC's ability to pay dividends. The CIC Board determines dividend levels after considering medium term reinvestment needs within each Crown corporation to sustain operations, to grow and diversify, and for debt reduction if necessary.

The Crown earnings and dividend levels are impacted by, but not limited to, global pandemics, weather conditions, commodity markets, general economic and geopolitical conditions, interest rates, performance, competition, regulatory environment and technology changes. Market variability, any potential restrictions or business challenges from the pandemic and the continued recovery of economic activity may impact the Crowns for the remainder of 2022-23.

CIC regularly assesses the appropriateness of the carrying value of its investments and adjusts the value of investments if it judges them to have other than a temporary increase or decline in carrying value.

1. General information

Crown Investments Corporation of Saskatchewan (CIC) is a corporation domiciled in Canada. The address of CIC's registered office and principal place of business is 400 - 2400 College Avenue, Regina, SK, S4P 1C8. CIC was established to act as a holding corporation for the Province's commercial Crown sector. CIC develops broad corporate policy, directs investments for its subsidiaries and provides dividends to the Province's General Revenue Fund (GRF). A list of CIC's subsidiaries is contained in Note 4.

2. Basis of preparation

a) Statement of compliance

The condensed separate interim financial statements have been prepared in accordance with International Accounting Standard (IAS) 34 - *Interim Financial Reporting*. The policies set out have been consistently applied to all the periods presented unless otherwise noted. CIC's condensed separate interim financial statements are prepared at the request of the Legislative Assembly of Saskatchewan. The condensed separate interim financial statements do not include all the information required for full annual financial statements, and accordingly should be read in conjunction with the March 31, 2022, audited separate financial statements.

The condensed separate interim financial statements were authorized for issue by the CIC Board of Directors on December 6, 2022.

b) Functional and presentation currency

These condensed separate interim financial statements are presented in Canadian dollars, which is CIC's functional currency.

3. Summary of significant accounting policies

The accounting policies and methods of computation used in the preparation of these condensed separate interim financial statements are consistent with those disclosed in CIC's March 31, 2022, audited separate financial statements.

CIC's condensed separate interim financial statements do not consolidate the activities of its subsidiaries.

CIC prepares condensed consolidated interim financial statements. The unaudited condensed consolidated interim financial statements were authorized by the CIC Board of Directors on December 6, 2022. CIC's condensed consolidated interim financial statements should be referenced for further information.

4. Status of Crown Investments Corporation of Saskatchewan

CIC was established by Order in Council 535/47 dated April 2, 1947 and is continued under the provisions of *The Crown Corporations Act, 1993* (the Act). CIC is an agent of His Majesty in Right of the Province of Saskatchewan and as a provincial Crown corporation is not subject to federal and provincial income taxes. Certain jointly controlled enterprises and subsidiaries are not provincial Crown corporations and are subject to federal and provincial income taxes.

4. Status of Crown Investments Corporation of Saskatchewan (continued)

The Act assigns specific financial and other responsibilities to CIC regarding Crown corporations designated or created as subsidiary Crown corporations of CIC under the Act. The following wholly-owned Crown corporations have been designated or created by Order in Council:

SaskEnergy Incorporated (SaskEnergy)
Saskatchewan Gaming Corporation (SGC)
Saskatchewan Government Insurance (SGI CANADA)
Saskatchewan Water Corporation (SaskWater)

Saskatchewan Power Corporation (SaskPower)
Saskatchewan Telecommunications
Holding Corporation (SaskTel)

In addition to the above Crown corporations, CIC is the sole shareholder of CIC Asset Management Inc. (CIC AMI), a wholly-owned share capital subsidiary which is domiciled in Canada. On March 23, 2022, the Government of Saskatchewan announced the creation of a single innovation agency in the province by moving SOCO under the authority of Innovation Saskatchewan. The change was effective April 1, 2022. In the first quarter of 2022-23, CIC received \$93.5 million for its investment in SOCO. The alignment of SOCO and Innovation Saskatchewan into a single agency strengthens the province's mandate and programs and helps maximize the economic potential of its research infrastructure assets.

5. Equity advances to Crown corporations

| | September 30 2022 | March 31 2022 |
|------------|----------------------|------------------|
| SaskPower | \$ 593,000 | \$ 593,000 |
| SaskTel | 237,000 | 237,000 |
| SGI CANADA | 80,000 | 80,000 |
| SaskEnergy | 21,531 | 21,531 |
| SGC (a) | 11,700 | 15,700 |
| SaskWater | 8,700 | 8,700 |
| SOCO (b) | | 93,500 |
| | \$ 951,931 | \$ 1,049,431 |

- a) On September 28, 2022, CIC received \$4.0 million from SaskGaming as an equity advance repayment.
- b) On April 1, 2022, CIC transferred SOCO, at book value, to Innovation Saskatchewan, a provincial government agency. CIC received \$93.5 million from Innovation Saskatchewan as a payment for CIC's investment in SOCO (equity advance).

6. Dividend revenue

| | April 1 to September 30 2022 | | | |
|--|--|----|-------------------------------|--|
| SaskTel SaskEnergy SaskGaming SaskWater | \$ 20,090 19,287 6,745 3,201 | \$ | 42,076 5,903 - 2,672 | |
| Information Services Corporation SGI CANADA SOCO | 2,496 - - | | 2,170 10,000 162 | |
| | \$ 51,819 | \$ | 62,983 | |

7. Impairment recovery

On April 1, 2021, CIC AMI, the First Nations and Métis Fund Inc. (FNMF), and the Saskatchewan Immigrant Investor Fund Inc. (SIIF) amalgamated and continued to operate as CIC AMI. As a result of the amalgamation, CIC's investment in the previous FNMF entity, that had been impaired by \$8.6 million in previous periods, was reversed as CIC AMI had the financial capacity to repay the loan.

8. Net change in non-cash working capital balances related to operations

| | April 1 to September 30 | | | April 1 to September 30 |
|---|----------------------------|--------|----|----------------------------|
| | | | | |
| | | 2022 | | 2021 |
| (Increase) decrease in interest and accounts receivable | \$ | (8) | \$ | 76 |
| Decrease in dividends receivable | | 29,479 | | 66,379 |
| Decrease in interest and accounts payable | | (285) | | (507) |
| | \$ | 29,186 | \$ | 65,948 |
