Report of Payments for the Twelve-Month Period
Ended March 31, 2019

**Crown Investments Corporation of
Saskatchewan
and
Crown Subsidiaries**

Introduction to the 2018-19 Payee Disclosure Report

The 2018-19 Payee Disclosure Report is prepared in accordance with The Standing Committee on Crown and Central Agencies' Payee Disclosure Categories and Limits, based on the Fifth Report of the Standing Committee on Crown Corporations dated June 18, 2003 and Committee Minute No. 23, September 29, 2005.

The report discloses only amounts paid during the fiscal year. Amounts earned or owing for the year but paid in a different fiscal year are not included (for example, contracts and services from suppliers where work has begun in the current fiscal year but is paid for in the following fiscal year, or salary holdbacks that are earned in one fiscal year but paid in the next). Due to this timing issue, and the variety of payments included in the report, caution should be exercised when making year-over-year comparisons.

Payee Disclosure Limits and Categories

CIC Crown corporations and related agencies that are called to appear before the Standing Committee on Crown and Central Agencies are required to publicly disclose payee information to the Standing Committee as outlined below.

Board Expenses

A list of amounts paid to and on behalf of each person on the board of a Crown corporation including base retainer, all other remuneration and benefits, and out-of-province travel costs.

Ministerial Expenses

Out-of-province travel expenses for the minister(s) and ministerial staff undertaken on behalf of the Crown corporation, and remuneration reimbursed to the Ministry of Finance for ministerial staff.

Employee Remuneration

A list of all employees and the amounts they were paid for salaries, wages, salary holdbacks, payments in lieu of notice, vacation payouts, and other taxable benefits with a minimum threshold of \$50,000, and other expenses which include the disclosure of out-of-province travel expenses for executive and senior management.

Grants, Contributions, Donations and Sponsorships

A list of all grants, contributions, donations, and sponsorships with a minimum threshold of \$5,000.

Supplier and Other Payments

A list of payments for goods and services with a minimum threshold of \$50,000, except those items and categories where:

- 1) there is a legitimate need to protect commercially sensitive information;
- 2) disclosure could reasonably be expected to prejudice the competitive position of or interfere with the contractual obligations of the Crown corporation or a third party; and,
- 3) disclosure is prohibited by law, including the provisions of the *Freedom of Information and Privacy Act*.

Policy Exclusions

The Standing Committee on Crown and Central Agencies has specifically stated that the payee disclosure policy does not apply to the following:

- Payments made to or on behalf of SGI claimants;
- Payments made to SGI reinsurers or reinsurance brokers;
