Report**

2021-22

Report of Payments for the Twelve-Month Period
Ended March 31, 2022

**Crown Investments Corporation of
Saskatchewan
and
Crown Subsidiaries**

Introduction to the 2021-22 Payee Disclosure Report

The 2021-22 Payee Disclosure Report is prepared in accordance with The Standing Committee on Crown and Central Agencies' Payee Disclosure Categories and Limits, based on the Fifth Report of the Standing Committee on Crown Corporations dated June 18, 2003 and Committee Minute No. 23, September 29, 2005.

The report discloses only amounts paid during the fiscal year. Amounts earned or owing for the year but paid in a different fiscal year are not included (for example, contracts and services from suppliers where work has begun in the current fiscal year but is paid for in the following fiscal year, or salary holdbacks and certain benefits that are earned in one fiscal year but paid to the employee in the next). **Due to this timing issue, and the variety of payments included in the report, caution should be exercised when making year-over-year comparisons.**
