C. Employees

Individual payees are reported where remuneration paid to them totals at least \$50,000.

Remuneration includes payments such as:

- Salaries which includes salaries, wages, bonuses, payments in lieu of notice, vacation payouts and other taxable benefits paid to employees with a minimum threshold of \$50,000; and,
- Other expenses which include the disclosure of out-of-province travel expenses for executive and senior management.

Management employees' remuneration includes a short-term incentive (STI) payment based on corporate and personal performance measures. As a result of the transition from a December 31 to a March 31 year end, and the timing of the annual STI payments, Management remuneration includes STI payments for both the December 31, 2014 and December 31, 2015 periods.

Payments of pension funds to, or on behalf of, active or retired employees are not reported.
